### *Ways to Financially Support IWEc and Women-Owned Businesses*

For the IWEc Foundation to continue its work, expand its reach, hold conferences, and create more opportunities for women-owned business growth, we must be financially sustainable. Every nonprofit depends on a strong base of supporters and the IWEc Foundation is not an exception. We rely on sponsors and donors to achieve our goals and are counting on our network to support our mission.

These are a few opportunities for our supporters to participate:

- **BECOME AN ANNUAL SPONSOR**  
Sponsorships range from US\$2,500 to US\$50,000 with each level offering its own set of benefits.
- **BECOME AN IWEc FOUNDATION “PAY IT FORWARD” ANNUAL DONOR**  
Contribute US\$1,000 or US\$500 per year for five years. Payment can be made in one donation or on an annual basis.
- **DONATE/UNDERWRITE A SPECIFIC LINE ITEM**  
Examples include IWEc Foundation personnel, office, marketing and press costs, printing, and so forth.
- **RECRUIT ADDITIONAL SUPPORT**  
Active other corporate sponsors and donors.

THANK YOU FOR YOUR SUPPORT AND BELIEF IN IWEc’S MISSION!
